19 AUGUST 2008**

**REPORT ON: FORMATION OF JOINT COMMITTEE FOR THE DUNDEE CITY
REGION STRATEGIC DEVELOPMENT PLANNING AUTHORITY**

REPORT BY: INTERIM STRATEGIC DEVELOPMENT PLAN MANAGER

REPORT NO: 03-2008

1 PURPOSE OF REPORT

1.1 To advise Members that the Designation Order for the Strategic Development Planning Authority for the Dundee City Region Area came into force on the 25th June 2008, to agree the proposed Minute of Agreement for the formation and operation of the Joint Committee and to agree that the Interim Joint Committee be converted to the Joint Committee.

2 RECOMMENDATION

2.1 It is recommended that the Interim Joint Committee:

- a agree the proposed amended Minute of Agreement for the formation of the Joint Committee.
- b refer the decision on the proposed Minute of Agreement to each constituent authority for ratification and signing.
- c agree to disband the Interim Joint Committee at the end of this meeting and to constitute the Joint Committee, in accordance with the Minute of Agreement, at the next meeting.
- d refer the decision on the disbanding of the Interim Joint Committee and the formation of the Joint Committee to each constituent authority for ratification.

3 BACKGROUND

3.1 The Town and Country Planning Strategic Development Planning Authority Designation (No3) (Scotland) Order 2008 (SI No197/2008) was laid before Parliament on the 22nd May 2008 and came into force on the 25th June 2008. The Order designates that Angus Council, Dundee City Council, Fife Council and Perth & Kinross Council jointly prepare and keep under review a Strategic Development Plan for their Strategic Development Plan Area.

3.2 Circular 2/2008 advises that Strategic Development Planning Authorities should form a Joint Committee of Members representing the constituent planning authorities.

3.3 In advance of the Strategic Development Planning Authority Designation (No3) (Scotland) Order 2008 coming into force it was recognised that there was the opportunity to carry out preparatory work. For this work to be meaningful it was considered that it should be carried out with the full support and consensus of all the authorities involved.

- 3.4 As a result a 'Shadow Strategic Development Planning Authority for the Dundee City Region' was established to direct and oversee appropriate actions and allow early progress to be made while further details in the form of Consultations and Secondary Legislation were promoted by the Scottish Government.
- 3.5 The Interim Joint Committee of the Shadow Strategic Development Planning Authority for the Dundee City Region met on the 26th March 2008. At the meeting a discussion paper on the 'Constitution and Governance Arrangements' was presented. In approving the discussion paper the Interim Joint Committee remitted Dundee City Council to prepare draft agreements and other documents required for the formally constituted Joint Committee.
- 4.6 Dundee City Council has prepared a proposed Minute of Agreement for the Joint Committee. This is contained in Appendix 1 of this Report.
- 4.7 It is considered that the Minute of Agreement is appropriate subject to the name of the SDP authority being updated when approved by the constituent authorities and the Convenership of the Joint Committee rotating annually (alphabetically and by calendar year). The administration of the Joint Committee would remain with Dundee City Council and not be subject to rotation.
- 4.7 The Minute of Agreement is required to formally constitute the Joint Committee and sets out the form that it will take. It is recommended that the Interim Joint Committee disband at the end of this meeting and the Joint Committee be constituted at the next meeting.

4 CONCLUSIONS

- 4.1 The Town and Country Planning Strategic Development Planning Authority Designation (No3) (Scotland) Order 2008 (No197/2008) came into force on the 25th June 2008.
- 5.2 It is proposed to disband the Interim Joint Committee and constitute a Joint Committee for the Dundee City Region Strategic Development Planning Authority.
- 5.3 The proposed Minute of Agreement is contained in Appendix 1 and has been prepared to enable the operation of the Joint Committee. This is considered appropriate subject to amendments outlined in the report.
