for Dundee, Perth, Angus and North Fife

YOUR PLACE / YOUR FUTURE / YOUR SAY MAIN ISSUES REPORT CONSULTATION

TAYplan—the body responsible for creating a Strategic Development Plan for Dundee, Perth & Kinross, Angus and North Fife—has launched a major consultation exercise that will help to review the approved TAYplan (2012) and inform how places should change over the next 20 years.

Comments and feedback are now being sought on the Main Issues Report, which sets out the key issues and challenges facing the area over the next 20 years and what should change. Issues such as the number of new homes, adapting to a changing climate and health are set out for discussion. Suggestions are made on how land use policy could respond to these issues. If you care about your city, town, village or neighbourhood this Main Issues Report matters to you. **Anyone can make a representation.**

Starting on 15th April, 2014, the consultation period will end on 27th June, 2014, and during that time you can respond through an online questionnaire at <http://tayplan-sdpa-consult.limehouse.co.uk/portal> or by sending a completed questionnaire to **TAYplan SDPA Manager, Enterprise House, 3 Greenmarket, Dundee, DD1 4QB**, by the 27th June. Copies of the questionnaire are also available direct from TAYplan.

During April, May and early June a series of community drop-in events will take place throughout the TAYplan area, details of which can be viewed at www.tayplan-sdpa.gov.uk The documents can be viewed at public libraries across the TAYplan area, at TAYplan's office, local council planning offices, area/access/local offices and online at www.tayplan-sdpa.gov.uk Contact your local council/library for details of opening hours and accessibility.
